SOFTBALL LEAGUE SOFTWARE

GEEZER BALL SCORECARD

The total digital scorecard — designed for softball leagues across the nation.

A holistic approach: registrations, statistics, batting intelligence, player drafts, tournaments, playoffs, a play-by-play live feed and a social chat feed, all in one app.

- **Easy to use — for every player, young or young at heart**
- **One standard way to score, across every team**
- **Player and team statistics, built automatically**
- **Keeps scoring at the field — even with no signal**
- **Anyone can keep score — just scan a QR code**

THE TOTAL PACKAGE

Everything a softball league needs, from sign-up day through the playoffs — and the tournament.

Registration & sign-ups
Player registration and season sign-ups — each league's data stays its own; emails seen only by its admins

League rules
Publish the league's rules for every member

Schedules & team records
Schedule import, team records and standings with real tiebreakers

Live chat
League announcements and chat in one feed

Lineups
Set ahead by managers — batting order, positions, subs and designated runners

Easy-to-use scorecard
Record every at-bat and where the ball landed — guided start, next batter ready, Undo for any play

Live feed
Play-by-play action as it happens

Statistical analysis
Batting stats, hit-zone maps, trends and reports

Player evaluations
Rate and rank every player who signs up

Live draft board
Snake draft with a pick clock

Playoffs, scored live
Plan dates and fields; games are ready the moment their teams are known

Any device
Phone, tablet or computer — nothing to install, always the latest version

Tournament mode
Pool play, brackets, guest teams and a champion's history

Season rules
Run limit, run rule and innings — set per season, enforced on the scorecard

Works offline
No signal at the field? Keep scoring — it uploads later

Field locations
Directions and internet status for every field

Scorekeeper pass
QR code or 8-digit code — anyone can keep score, no account needed; ends when the game is final

Balls & strikes
Optional pitch count with walk and strikeout prompts

Everyone bats
Optional "everyone bats every inning" rule, tracked automatically

Umpires & scorekeepers
Who officiated each game — report and Excel export

All in one holistic app — making scoring easy, fun and intelligent.
